**Pedagogical Training & Learning Communities**

---

Center for Educational Effectiveness, UC Davis, [Teaching Assistant Consulting Fellow](#)  
2022-2024

- Intensive fellowship that guides members in creating inclusive and equitable learning environments through pedagogical training, weekly roundtable meetings discussing the Scholarship of Teaching and Learning, and holding 1-on-1 teaching consultations with UC Davis faculty and graduate students to help them apply evidence based practices to their instruction.

UC Davis, [Mentor-Mentee Program](#) in Social Sciences, **Mentor** 2022-2023

- Mentored two undergraduates, focusing on the development of research and analytical skills and building confidence.

- Successfully connected my mentee with a position as a research assistant in my department and, after the completion of the program, I continue to offer her guidance as she prepares to apply to Ph.D. programs in political science.

UC Davis, [First-Generation Mentorship Pilot Program](#), **Mentor** 2021-2022

- Utilized my own experience as a first-generation student to serve as a mentor to a first-generation undergraduate in political science.
- Completed specific training for mentoring BIPOC students.

Making of the Modern World Program, UCSD, **Pedagogy Intensive Seminar** 2016

- Weekly 3 hour seminar focused on effective, evidence-based teaching practices in global studies, with a particular aim at developing culturally sensitive lesson plans and writing instruction.

## Workshops & Created Pedagogical Resources

[Just In Time Teaching Guide: Activating Large Lectures with Technology](#) Forthcoming, 11/2024

- Wrote the UC Davis Center for Educational Effectiveness's updated, research based guide on the use of technology in large lectures to facilitate active learning opportunities.

## Workshops Presented on Behalf of UC Davis's Center for Educational Effectiveness

[Simplifying Course Design](#) 05/2024

- Guided workshop for faculty and graduate students on using the Integrated Course Design framework to draft a syllabus that better supports students' learning objectives.
- Presented to UC Davis instructors, hosted by the Center for Educational Effectiveness.

[Navigating Charged Discussions in the Classroom](#) 01/2024

- Guided workshop on navigating emotionally or politically charged classroom topics focused on making these instances opportunities for learning and growth
- Presented to UC Davis instructors, hosted by the Center for Educational Effectiveness.

[Universal Design For Learning](#) 11/2023

- Presented teaching strategies for including and empowering students of all backgrounds, particularly students with vision and hearing impairments through the integration of UDL strategies to increase course accessibility.

### Engaging and Empowering Multilingual and International Students

03/2023

- Guided workshop where participants learn about the unique challenges of international and multilingual students and learn practical strategies to better support them.

### **Creating Inclusive Classrooms**

11/2022

- Walked participants through the process of integrating inclusive teaching methods into courses they are currently teaching so as to better include nontraditional learners and adult students.

### **Workshop: How to Write a Policy Memo**

10/2019

- Led participants through the basic process of writing a policy memo to a mayor, governor, or other executive.
- Invited by UCSD's School of Global Policy and Strategy [Public Service Weekend](#).

### **Research Interests**

---

Politics of Economic Redistribution; Comparative Development; Political Institutions and Economic Growth; Minority Rights; Global Political Philosophy; Labor Politics; Pedagogy; Politics of Immigration in Multicultural Democracies; Inclusive Teaching Practices.

### **Conference Presentations**

---

#### **“Teaching Assistant Consultants Program:**
